PB designed bridge receives PCI award

October 02, 2007 - Northern New England

The Rte. 10 bridge over Mink Brook received a Precast/Prestressed Concrete Institute (PCI) award in the category of Best Bridge with Spans Less than 75 Feet.

Designed by PB, the bridge was the first design-build project in many years for the state of New Hampshire Department of Transportation, owner of the bridge. R.S. Audley Inc. was the contractor.
