Bedford, NH NAI Norwood Group completed the sale of 8 acres off of Easthampton Rd. in Northampton, Mass. for \$595,000. The parcel is development land which will be used to build the city's first climate controlled self-storage facility. Joe Mendola of NAI Norwood Group represented the seller.

"This site was a real challenge. We had to work closely with the city, and got a zoning change to make this self-storage site a reality." Mendola said. The parcel is located near the Easthampton town line where new development of retail and housing are taking place. Northampton is the home of Smith College, a liberal arts college.
