The Atwood Medical Center is a medical only multi-level brick construction built in 1966 spanning a total of 80,918 s/f. The building sits on over 6 acres offering abundant parking.

The buyers, who currently have a location in Warwick, will be renovating the suite and taking occupancy upon completion. This location is part of their expansion plans to provide services to a greater number of clients.

The property was purchased by Brightside Behavioral Health to serve as their second location. Their expansion provides the opportunity to provide services to a greater number of clients.
