Portland, ME PM Construction Co. is currently underway on a construction project at The Cedars retirement community. The ground up project consists of a 45,000 s/f skilled nursing care and memory care assisted living households, with sixty additional resident rooms. The project is part of The Cedars overall commitment to transforming senior care by creating a paradigm shift from today's senior care offerings.

Elsewhere, PM is managing the large-scale construction of the Latitude at Clark's Pond project in South Portland. The 256-unit, four building apartment complex includes a shared conference room and fitness center in each building.
