Dacon's design and construction of Boston Sports Institute honored by Metal Building Contractors and Erectors Association

July 31, 2020 - Front Section

Wellesley, MA Dacon's design and construction of the 130,000 s/f Boston Sports Institute at 900 Worcester St., won the Metal Building Contractors and Erectors Association (MBCEA) Award of Excellence for the educational and recreation category.

Each year seven buildings in the United States are selected by the Metal Building Contractors and Erectors Association for exceptional design using metal building systems.
