DeStefano & Associates, Inc. and TMS Architects complete IDVET project

August 07, 2020 - Northern New England

Hampton, NH DeStefano & Associates, Inc. (DAI) and TMS Architects have completed the first production facility in the U.S. for IDVET. The project required renovation of a former 8,500 s/f, two story office building.

IDVET is a science-based company that develops and manufactures advanced diagnostic testing to help uncover infectious diseases in farm animals. This privately owned enterprise, located in France, was created in 2004 and has grown to over 80 countries.

DAI is proud to take part in the expansion of IDVET's global distribution network.
