Kleinschmidt, Gibson and Bates join R E Dinneen Architects & Planners' life sciences group

August 21, 2020 - Construction Design & Engineering

Gunner Kleinschmidt

Sally Gibson

Hanna Bates

Boston, MA According to R E Dinneen Architects & Planners, Inc. (REDAP) Gunner Kleinschmidt, AIA, Sally Gibson, and Hanna Bates have joined REDAP's life sciences group.

Kleinschmidt joined R E Dinneen Architects in the role of a senior project architect. His experience includes project architect and project manager roles in healthcare, commercial, hospitality, and residential design. Kleinschmidt received his Masters in Architecture from Harvard University.

Gibson is a senior project architect and a graduate of the BAC and Syracuse University. She comes to R E Dinneen Architects with many years of experience, an impressive interior design background, and strong skills in project management and delivery.

Bates joined the R E Dinneen Architects team in the role of architectural designer. She got her masters degree from Roger Williams University.
