Metro Walls participates in Rally for a Cause charity motorcycle ride

September 04, 2020 - Northern New England

Manchester, NH Metro Walls would like to thank all who participated in this year's annual "Rally for a Cause" motorcycle ride to benefit the American Cancer Society, Northeast. With the Metro Wall's match over \$7,000 was raised.

Metro Walls thanks the Manchester Police Department and the New Hampshire State Police who led the group. A total of seven officers from both Manchester Police Department and the State of New Hampshire showed their support to this cause.

The trip started at Metro Walls office in Manchester and ended at Brady's American Grill in Peterborough. Riders from Metro Walls, Exterior Designs, Atlantic Prefab, and Patriot Building Systems all attended along with customers, vendors, friends and family.

"We selected the American Cancer Society, Northeast as this year's beneficiary because they help patients battling cancer in the New Hampshire community. I look forward to this ride every year! It's a way to celebrate common interests, have fun and give back. There is no better way to spend a Saturday than riding a motorcycle to support a worthy cause," said Colin Lane, general superintendent of Metro Walls.
