2020 Women in Real Estate: Shelly Gouin, Senior Vice President at Webster Bank

September 25, 2020 - Spotlights

Shelly Gouin
Webster Bank

How has your involvement in CREW Boston impacted your career? My involvement in CREW Boston has steadily increased over the past five years or so and I've learned that the more I give to CREW, the more I get back out of it. My network has significantly expanded and I've gained experience and confidence that have directly impacted my success as a lender. I was recently accepted to the CREW Boston board and while my interest in joining the board was driven by wanting to give back to CREW, I've been nicely surprised at attention it has drawn to me and Webster Bank in the market.
