Online Program Registration

To register for programs online please visit our website at www.REFACT.org, click on the event calendar, choose the date of the program you wish to attend. Then follow these simple steps to register:

Click the Globe

Enter your username and password

Your information will automatically be populated. As a member, you can also register non-member guests to attend open programs with you. If you would like to bring a guest, select yes from the drop down menu to fill in their information. Members can not register other members for programs under their IDs. All members have to register themselves for programs. This will allow us to track attendance at programs.

When you register online with a credit card payment, your card will automatically be charged upon completion of the registration. An email receipt will be sent to you for your records. You may also choose to pay by check, just print out a copy of your registration and mail it to us with your check payment.
