North Branch Construction welcomes three new employees to office staff

October 02, 2020 - Northern New England

Concord, NH North Branch Construction has welcomed three new employees to positions at their headquarters at 76 Old Turnpike Rd.

Pedro Sanchez joins North Branch Construction in a dual-role position of IT coordinator and project coordinator I. Sanchez comes to North Branch with experience as a cyber analyst, systems administrator with a cyber-threat intelligence firm and IT manager for the U.S. Census. Sanchez is a 2020 graduate of Southern New Hampshire University with a bachelor of science in Information Technologies/IT Management. He is also a sixteen-year veteran of the U.S. Marine Corps achieving the rank of staff sergeant serving in various roles in supply, maintenance, quality control, training, and supervision.

Ken Hadley joins North Branch as a project manager/estimator. Hadley has worked in the construction industry for over 32 years with almost ten of those years being with North Branch from 1996-2005. Hadley brings extensive experience managing construction projects in the commercial/industrial, retail, hospitality, education, multi-family residential, healthcare, and aviation sectors.

Thomas Hannan has been hired in the role of project coordinator II after originally joining North Branch in June as an intern working within all departments of the company over the course of the summer, spending three days per week in the office and two days per week in the field. Hannan brings over six years of experience working in construction and is currently a student at Southern New Hampshire University pursuing a degree in construction management as a member of the class of 2022.

Since its founding in 1958, North Branch has developed into a full service, award-winning construction manager, design-builder, and general contractor serving New Hampshire and its bordering states. North Branch is one of the largest commercial and residential contractors in the state of New Hampshire with a proven track record of completed projects on or ahead of schedule.
