Annual CAI-NE Golf Tournament - A socially distanced social event

October 02, 2020 - Owners Developers & Managers

Boston, MA While the CAI-NE Tournament didn't look like tournaments past with, masks, limited gatherings and September tee times instead of a June shotgun start, the annual tournament was the first opportunity more than 100 golfers met colleagues and friends in-person at a chapter hosted event since March. In addition, this year's tournament raised thousands of dollars for Crohn's and Colitis Foundation, New England with on course games of chance and generous donations from participants.
