Ribeiro joins MDS/Miller Dyer Spears Inc. as senior research and laboratory architect

October 16, 2020 - Construction Design & Engineering

Alvaro Ribeiro

Boston, MA MDS/Miller Dyer Spears Inc., an architecture, planning, and interior design firm, welcomed Alvaro Ribeiro, AIA to the firm as senior research and laboratory architect.

Ribeiro contributes more than 20 years of architectural and project management experience in core and shell design, building repositioning, and base building lab conversions serving life science, medical device, and technology clients in New England's thriving science and technology industry.

Ribeiro's creative design approach enhances MDS's mission of helping both growing and established life science companies and research institutions create thriving laboratories and workplaces that attract and retain the area's top talent.
