President's message: Newly installed members - by Warren Lizio

November 06, 2020 - Owners Developers & Managers

Warren Lizio, CPM, ARM
2020 president of IREM Boston.

This year may look a little different with COVID-19. The Boston chapter of IREM has been busy servicing our members during these hard times.

Congratulation to the newly installed members and their companies.

For over 85 years, our members have made us the world's strongest voice for all things real estate management. Today, we're growing and strengthening the IREM community. When one IREM member succeeds, we all succeed. It's my pleasure to recognize these outstanding colleagues who have demonstrated much dedication and hard work by earning an IREM certification.

The chapter is proud to announce our newly installed members to the Boston chapter.

With great honor we installed seven ARM's, one ACOM and six CPM's on October 22nd by an zoom conference.
