2020 Year in Review: Richard Goldman, R.L. Goldman Co. Inc.

President

R.L. Goldman Co. Inc.

What was your greatest professional accomplishment or most notable project, deal, or transaction in 2020? This year, R.L. Goldman completed a total reconstruct of the corporate headquarters for a prominent South Shore development company. The job consisted of paving over 322,000 s/f of existing parking lots and roadways while also replacing 12,000 feet of concrete curbing with vertical granite. A project of this scope would typically take eight to nine weeks to complete, but we did it in only four and a half! All ADA requirements were met and the client was able to return to “business as usual” faster than anticipated. I’m very proud of my entire team for both the quick turnaround and the exceptional quality of work that was done on the project.
