What was the most difficult part of working during the pandemic of 2020? Not being able to go door to door as often as we would like.

What aspects of working from home have you enjoyed most? More time with family and kids.

What was your greatest professional accomplishment or most notable project, deal, or transaction in 2020? Expanding the transaction area to four additional states.

What are your predictions for commercial real estate in 2021? Industrial is hotter than ever, and we don't see that changing.

What is the best advice you have received, and who was it from? Do free work as much as you can, because you never know when you will reap the reward.
