BOMA's partnership with BOMI International remains strong. Through educational offerings, BOMA members and non-members learn from senior professionals in the commercial real estate industry to work towards earning their RPA or FMA designations, or PAC or PMFP certifications. The next course, BOMI Leasing & Marketing for Property Managers will take place the mornings of January 20, 25, 27, February 1, 3, 8, 10, 17, 22, and 24 from 9:00 a.m. – 12:00 a.m. This virtual course will be taught by Jennifer Twombly with Rockhill Management. Please visit the BOMA website to view the entire 2021 BOMI Schedule. For more information contact Courtney McHugh, cmchugh@gbreb.com.

The commercial real estate industry has a professional certification that provides early recognition for foundational knowledge and guides the next generation of property managers toward greater responsibility and success in their careers: The Certified Manager of Commercial Properties (CMCP). The CMCP is the only certification of its kind for early career commercial property managers – you may qualify with as little as one year's experience. Learn more on the BOMA website.
