Filippi joins Gienapp Architects as senior designer and project manager

February 19, 2021 - Connecticut

Leno Filippi

Danvers, MA According to Gienapp Architects, Leno Filippi, AIA has joined the firm as senior designer and project manager. Filippi brings 35 years of experience in comprehensive architectural design, project management, master planning, public permitting, feasibility studies, programming, cost estimating, technical production and specifications to the firm. He has successfully led the design of a variety of commercial and academic projects with budgets ranging from \$10 million to \$50 million.

Prior to joining Gienapp, Filippi provided design and project management services at several well-respected Boston-based architecture firms. He has a bachelor of architecture from the University of Cincinnati and is a registered architect in Mass., member of the Boston Society of Architects and member of the National Council of Architectural Registration Boards (NCARB).

“I’ve known Dale Gienapp for over 25 years and enjoyed working with him on a number of projects. I’m excited to work with him again and contribute to Gienapp Architects’ continued success,” said Filippi.

“Leno and I have worked together on many projects. The different areas of our individual expertise in designing and managing projects are very complementary, and I am very excited to have him join our firm,” said Gienapp Architects principal, Dale Gienapp, AIA.

Gienapp Architects was founded in 2000 to provide excellence in architectural design, project management and client service in Eastern MA and Southern NH. From feasibility studies and architectural design to construction administration, Gienapp Architects delivers smart, creative solutions that stay on schedule and on budget. For more information, call (978) 750-9062 or visit www.GienappArchitects.com.
