BOMA Boston update: Fitwel, WELL and LEED overview

March 05, 2021 - Owners Developers & Managers

Last month, BOMA Members participated in the WinterWalk raising \$6,000 for Bridge Over Trouble Waters!

On Saturday, February 6th BOMA members and friends participated in the WinterWalk, working towards ending homelessness! We are pleased to share that in a record two days, BOMA gathered 21 walkers and through the generous donations of our members, the BOMA Boston Team Raised \$6,000 to benefit our charitable Partner – Bridge Over Trouble Waters!

Working towards a healthy building plan and don't know where to start? Join BOMA Boston for an overview of Fitwel, WELL and LEED certifications and learn how to get started! On Tuesday, March 30th from 12 – 1:30 p.m. BOMA Boston is hosting a Fitwel, WELL & LEED Overview and Discussion virtually! Libby Dunne, sustainability consultant with Sustainable Investment Group will join BOMA Boston to provide an overview of Fitwel, WELL and LEED certifications and how the certifications can fit in your business model. After the overview, Grey Lee, an expert on LEED and ESG, formerly with the USGBC will host a conversation with Boston Properties and Janitronics Building Services on what they are doing to work towards this important initiative. There will be a live Q&A session with the audience to answer any questions you have, we hope you can join us!

Save the date for the BOMA Boston Annual Golf Tournament on Monday, July 12th and BOMA Fallfest on Thursday, October 14th! Registration information will follow in the coming months!

Looking for a way to get more active with BOMA Boston? Join one of our many committees for a way to meet other members, get visibility for your company and help shape our programs and events. New this year we are launching a DEI Committee! View the BOMA Boston website to learn more and view all of our committees.

BOMA's partnership with BOMI International remains strong. Through educational offerings, BOMA members and non-members learn from senior professionals in the commercial real estate industry to work towards earning their RPA or FMA designations, or PAC or PMFP certifications. The next course, BOMI Design, Operation and Maintenance of Building Systems Part 1 will take place Wednesday and Friday mornings of April 2nd, 7th, 9th, 14th, 16th, 21st, 23rd, 28th, 30th, and May

5th from 9:00 a.m. – 12:00 p.m. This virtual course will be taught by David Thompson with Jamestown, LP. For more information contact Courtney McHugh, cmchugh@gbreb.com.

The commercial real estate industry has a professional certification that provides early recognition for foundational knowledge and guides the next generation of property managers toward greater responsibility and success in their careers: The Certified Manager of Commercial Properties (CMCP). The CMCP is the only certification of its kind for early career commercial property managers – you may qualify with as little as one year’s experience. Learn more at <https://www.creci.org/the-cmcp-advantage/>.
