J. Calnan & Associates celebrates their 25th year of comprehensive construction management

March 26, 2021 - Front Section

Quincy, MA J. Calnan & Associates (JC&A) is celebrating its 25th year of delivering comprehensive construction management services throughout the Northeast. Starting with a small team of leaders, including founder Jay Calnan, JC&A has grown to include a portfolio of prestigious work in the academic, corporate, healthcare, life sciences, robotics and technology markets, and has had the privilege to work for best-in-class clients such as Amazon, Boston Properties, Biogen, Atlantic Management, Takeda, Boston Dynamics, Salesforce, Children's Hospital, Schneider Electric, PTC Inc, Reebok, MassBio, The Park School, Philips, Constant Contact and The MathWorks, among many others. JC&A has also been fortunate to collaborate with some of the best design and engineering firms on these projects, along with leading property management, project management and brokerage firms.

"None of our continued growth would have been possible without our clients, partners, friends, family and colleagues," said Jay Calnan, CEO, JC&A. "The journey so far has been incredible and our entire leadership team extends heartfelt thanks to everyone who made it possible for us to become one of the best construction management firms in the Northeast."

JC&A has always believed in "doing well by doing good." The firm is proud of its accomplishments and even more proud of how it has achieved that success. The JC&A team has never wavered in its commitment to its people, its clients, or its community. The firm continues to be forward-thinking and customer-centric, while remaining true to its roots by always demonstrating grit, curiosity and character.

JC&A has consistently been honored as a Best Place to Work by the Boston Business Journal and as a Top Corporate Philanthropist. In 2011, JC&A helped launch Team IMPACT, a non-profit with the mission of improving the quality of life for children facing life-threatening and chronic illnesses through the power of team. Since its inception, Team IMPACT has facilitated more than 2,000 matches at more than 700 colleges and universities across the country. These awards reflect the essence of JC&A's corporate culture and are a testament to what it means to be a member of the JC&A team.

JC&A is known for their trademark 'We Build...®' philosophy, referring to the building of great teams, award-winning projects, lasting relationships and community.

"In reflecting on 25 years of successful growth and how we achieved it, we are incredibly proud of

what it means to say, ‘We Build...® The JC&A Way,’” said Maureen Rystrom, vice president of marketing and partner, JC&A. “We look forward to continuing to work ‘The JC&A Way’ with all of our valued clients, partners and community members for years to come.”
