2021 Women in Construction: Susan Pinckney, Senior Interior Designer, Associate, TSKP Studio

March 26, 2021 - Spotlights

How have you adapted and changed in the last 12 months? I certainly appreciate that I can work in a more focused manner without the constant stream of interruptions that comes from being in an

open office. I am also much more aware of the stresses that I was living with every day before WFH. My 45 minute commute is an obvious one but other trivial things like; "Do I have enough gas in my tank and air in my tires?"; "What am I going to wear to work?"; "What can I take for lunch?"; Not having to anticipate these little decisions is a breath of fresh air.
