2021 Women in Construction: Dawn Proulx, Senior Project Manager, Columbia

March 26, 2021 - Spotlights

Why should women consider a career in construction? Women should consider a career in construction because there's no better feeling than being able to see the result of a project that you

managed and developed with your team from start to completion. You have the opportunity to experience new challenges and provide solutions daily in this industry. At the end of the day, women are well respected and will continue to thrive in the construction industry, and pave the way for future generations.
