2021 Women in Construction: Molly Gates Project Executive, J. Calnan & Associates

March 26, 2021 - Spotlights

What are you most looking forward to post-pandemic? In addition to seeing my elderly parents, who live on the West coast, I am most looking forward to the camaraderie of my fellow Bostonians that

can't be replicated while social distancing; the high five with the fan who happens to be sitting next to you at Fenway, that memorable interaction with another patron at a restaurant, or the feeling of hometown pride on Marathon Monday – it's the unplanned interconnectedness with others that I'm really missing. I love how relationship driven our industry is, and I now realize how much I need that outside of my professional life as well.
