2021 Women in Construction: Kathleen Durocher, Assistant Project Manager, South Coast Improvement Company

March 26, 2021 - Spotlights

What are you most looking forward to post-pandemic? Traveling with my sons.

How have you adapted and changed in the last 12 months? I have been balancing working full time first fully remotely and then a hybrid of in-person and remote work with virtual hybrid learning for my two sons for nine months of the past year. Finding a balance to keep all of us successful has been challenging as well as empowering.
