2021 Women in Construction: Sandy Kane, Marketing Manager, Acentech

March 26, 2021 - Spotlights

What are you most looking forward to post-pandemic? The last 12 months I've been more diligent about trying to expand my AEC network. "We're all in this together" has never felt more urgent, or

more real. So, in some ways, I feel I've made deeper connections to colleagues during lockdown. That said, we will all feel much relieved when the world starts to return to the next "normal" and we're allowed to get back to the office. I'm really looking forward to seeing co-workers and eating out again!
