BOMA Boston Update – Annual Golf Tournament and 2021 International Conference

June 04, 2021 - Owners Developers & Managers

Last month BOMA Boston hosted our first ever Step into Spring event to support our charitable partner, Bridge Over Troubled Waters! In lieu of the BOMA Benefit which would have taken place in the spring, BOMA Boston's Charitable Giving Committee has created a fun outdoor virtual activity to help raise money for our Charitable Partner while doing something good for you too! We exceeded our goal of \$20,000 and raised \$22,400 for Bridge! Thank you to our generous donors and our BOMA community for making this happen!

Looking forward to seeing our members at the sold out BOMA Fishing Tournament on June 11th!

BOMA Boston's annual Golf Tournament will be taking place this year on Monday, July 12th at Pinehills Golf Club in Plymouth, MA! We are looking forward to what promises to be an exciting day with a breakfast reception, golf tournament, putting contest, lunch and the barbecue reception and awards presentation to conclude the day. Reserve your foursome today!

Over 120 BOMA members and guests will gather for the sold out BOMA Boston Fishing Tournament on Friday, June 11th! We are looking forward to a full day of casting on professional fishing boats with local captains out of Liberty Wharf! The tournament is followed by a networking and awards luncheon at Legal Harborside in Boston's Seaport.

Reserve your foursome today for the annual BOMA Golf Tournament on June 12th

BOMA International 2021 is coming to Boston from October 6th – 9th at the BCEC! BOMA Boston has waited 25 years for this and are thrilled that the BOMA International Conference will be held in Boston this year! Along with BOMA International, the BOMA Boston Host Committee has been busy planning and we will have some fun things to share in the coming weeks! We will be looking for local volunteers to help out at the convention center during the conference! For now, you should save the date and register! We are pleased to share that our Charitable Partner Bridge Over Troubled Waters will be the conference's Charitable Partner here in Boston!

BOMA's partnership with BOMI International remains strong. Through educational offerings, BOMA members and non--members learn from senior professionals in the commercial real estate industry to work towards earning their RPA or FMA designations, or PAC or PMFP certifications. The next course, BOMI Real Estate Investment & Finance will take place Wednesday and Friday mornings of July 14th, 16th, 21st, 23rd, 28th, 30th, August 4th, 6th, 11th, and 13th from 9:00 a.m. – 12:00 p.m. This virtual course will be taught by Mark Giampa with Related Beal. For more information contact Courtney McHugh, cmchugh@gbreb.com.

The commercial real estate industry has a professional certification that provides early recognition for foundational knowledge and guides the next generation of property managers toward greater responsibility and success in their careers: The Certified Manager of Commercial Properties (CMCP). The CMCP is the only certification of its kind for early career commercial property managers – you may qualify with as little as one year's experience. Learn more at <https://www.creci.org/the--cmcp--advantage/>.
