Hodsdon joins TFMoran as summer intern

July 02, 2021 - Northern New England

Benjamin Hodsdon

Bedford, NH Benjamin Hodsdon has joined TFMoran's civil engineering department as an intern for the summer. He is working in both the Bedford office and the Portsmouth office. Hodsdon is in the honors program at the University of New Hampshire, working towards his Bachelor of Science degree in Civil Engineering, Class of 2023. He was recently involved in design and fabrication of a data-collecting freshwater salinity buoy, which he presented at the Undergraduate Research Conference at UNH.

TFMoran, Inc. is one of the largest full-service engineering firms in New Hampshire, with offices in Bedford and Portsmouth. The firm's services include: Civil, structural, traffic and transportation engineering, land surveying, landscape architecture, environmental permitting, stormwater monitoring, and construction support services.
