Crane joins TFMoran

August 06, 2021 - Northern New England

Kevin Crane

Bedford, NH Kevin Crane has joined TFMoran's civil engineering department as a senior project manager. Crane holds a Bachelor of Science degree in Civil Engineering from the University of California at Davis, a Master of Business Administration degree from Saint Mary's College of California, and a Juris Doctorate from the California School of Law. He is experienced in the areas of civil engineering, geotechnical, and structural design, and is a Professional Engineer licensed in New Hampshire, Maine, Connecticut, and California.

Prior to joining TFMoran, Crane worked as a private engineering consultant for over 25 years, designing and overseeing the construction of buildings and infrastructure. His professional memberships include the National Society of Professional Engineers, National Fire Protection Association, and International Conference of Building Officials.
