The next course, BOMI Managing the Organization will take place Wednesday and Friday afternoons of August 18th, 20th, 25th, 27th, September 1st, 8th, 12th, 15th, 17th and 22nd from 2:00 – 5:00 p.m. This virtual course will be taught by Gerry McGonagle with ATI Restoration. The commercial real estate industry has a professional certification that provides early recognition for foundational knowledge and guides the next generation of property managers toward greater responsibility and success in their careers: The Certified Manager of Commercial Properties (CMCP). The CMCP is the only certification of its kind for early career commercial property

managers – you may qualify with as little as one year’s experience. Learn more at <https://www.creci.org/the-cmcp-advantage/>.
