November 19, 2021 - Construction Design & Engineering

Medway, MA On Wednesday, November 3rd, lieutenant governor Karyn Polito visited Glen Brook Way, a recently completed affordable housing complex with 48 units constructed by Dellbrook|JKS. Polito joined the owner, Metro West Collaborative Development, the architect, Meander Studio Collaborative Design, and local officials to celebrate the \$300,000 MassWorks Infrastructure Program grant given to the town of Medway. This grant will fund the construction of a new sidewalk connecting Glen Brook Way to amenities in Medway Center and added measures to improve pedestrian safety on West St.

With the construction of a new sidewalk and senior center, a part of Glen Brook Way Phase 2, this is quickly becoming a vibrant, walkable community where people of all kinds can thrive.
