The Wentworth Inn also abuts the Wentworth Golf Course and cross-country ski trails; has a prime location in the center of the village, a year-round destination minutes from four well-known ski resorts in New Hampshire; and is not far from nearby cities like Boston and Portland.

The Wentworth Inn, located on 8.5 acres, offers numerous advantages to new owners via well-established revenue streams that include a farm-to-table restaurant, a piano bar/cocktail lounge, a spa, meeting rooms, a wedding/event space, onsite condominium rentals and more.

“Due to its location in the White Mountains and its historic atmosphere, the Wentworth Inn has been performing very well in its market over the past 30 years, and I am pleased that we could structure its successful transfer,” said Wason. “The Wentworth Inn is ideally situated for guests seeking a true New England getaway in New Hampshire’s White Mountains, no matter the season. We are very pleased to oversee transactions such as these that clearly benefit all parties involved.”
