BOMA Boston: Professional development opportunities

February 04, 2022 - Owners Developers & Managers

Boston, MA On Friday, February 11th BOMA Boston is hosting their Annual Ski Trip at Loon Mountain! Hit the slopes with an all-day ski lift ticket. Relax with BOMA Friends in a private event space and enjoy breakfast, a buffet lunch, and an après-ski reception with a cash bar.

Also, join us at the Winter Walk! The 6th annual Winter Walk is a campaign raising awareness and funds to help end homelessness in Boston. We hope that you will join us on Sunday, February 13th, for a two-mile walk whether in-person at Copley Plaza at 9 a.m. or in your own neighborhood. If you cannot participate as a walker, please consider donating. 100% of the funds we raise will benefit our Charitable Partner, Bridge Over Troubled Waters. Bridge Over Troubled Waters is Boston's foremost agency providing life-changing services for homeless, runaway, and at-risk youth. Help us reach our goal of \$5,000! Make sure to register under the BOMA Boston Team.

Continuing our support to Bridge Over Troubled Waters, please mark your calendar for the BOMA Benefit on April 7th at City Winery! Enjoy a festive cocktail soiree with delicious hors d'oeuvres, delightful live music, exclusive raffle prizes, and an exciting fundraiser for all! We hope you can join BOMA to support their crucial work for our community. Learn more at <https://bomabenefit.weebly.com/>.

BOMA's partnership with BOMI International remains strong. Through educational offerings, BOMA members and non-members learn from senior professionals in the commercial real estate industry to work towards earning their RPA or FMA designations, or PAC or PMFP certifications. The 2022 BOMI Course Calendar is now available on our website. Grow your career by registering for a class today! In addition, BOMA Boston is also offering Foundations of Real Estate Management: a five-module, 28-hour, entry-level course, covering the fundamentals of commercial real estate administration, management, building systems, accounting/reporting, contract management, and more. This is perfect for those who are new to or have an interest in commercial real estate. The deadline to register is February 18th. For more information, contact Sharon Cheng, scheng@gbreb.com.

The commercial real estate industry has a professional certification that provides early recognition for foundational knowledge and guides the next generation of property managers toward greater responsibility and success in their careers: The Certified Manager of Commercial Properties (CMCP). The CMCP is the only certification of its kind for early career commercial property managers – you may qualify with as little as one year's experience. Learn more at <https://www.creci.org/the-cmcp-advantage/>.
