North Branch Const. begins work at 22,000 s/f Community Bridges

March 04, 2022 - Northern New England

Community Bridges - 162 Pembroke Road - Concord, NH

Concord, NH North Branch Construction recently began a 22,000 s/f interior demolition and office fit-up renovation for Community Bridges at their future new location at 162 Pembroke Rd. In addition to a new site drainage system, sidewalks with a parking lot expansion, and landscaping, interior work will include demolition of existing space, insulation, roofing, flooring, painting, and upgrades to the existing fire protection system, mechanical and electrical systems. Upgrades to interior finishes will also be completed.

“North Branch Construction is pleased to have been selected to work with Community Bridges on this project that will help them better serve their clients moving into the future,” said Joseph Campbell, president of North Branch. “North Branch Construction has worked with Community Bridges in the past and we are very excited about this opportunity to work with such an important organization within our community.”
