New England Real Estate Journal presents 2022 Women in Construction Spotlight

March 25, 2022 - Spotlights

Boston, MA The New England Real Estate Journal published its annual Women in Construction Spotlight. The March 25th Spotlight edition shares insight into today's real estate industry from a woman's point of view and discusses how the changing market is impacting all facets of the industry. This issue celebrates the achievements of women engaged in specialized industries including Architecture & Interior Design; Construction & Project Management; Economic Development & Urban Planning; Environmental & Engineering Consulting; General Contractors & Subcontractors; Information & Building Technology; Property Management & Services and more.

The women featured include: (CLICK on the name to view full responses)
