Roy named associate of Nobis Group

April 01, 2022 - Northern New England

Adam Roy

Concord, NH Adam Roy has been named an associate of Nobis Group. Roy, a senior project manager with Nobis, is a credentialed licensed site professional (LSP) and certified hazardous materials manager (CHMM) experience with 20 years of leading the investigation, cleanup, and redevelopment of contaminated industrial, institutional, military, municipal sites.

Pete Delano, senior VP at Nobis said, "Adam has proven himself to be expert at guiding clients and their projects through complex environmental regulations and review processes with a focus on delivering solutions that have greatly protected public health and our communities."

His leadership and success have played an important role in Nobis' growth over the years and it's now very rewarding to see Adam mentoring other Nobis professionals to provide this same high caliber level of service and expertise to our clients," said Pete Delano, PE, senior vice president at Nobis Group.

Nobis Group is a 100% employee-owned consulting firm providing engineering and environmental solutions to clients throughout the Northeast
