“NorthEast Health Services, a member of the Transformations Care Network, is committed to expanding access to in-person, high-quality outpatient mental health care and to creating supportive places for staff and clients,” said Mark Heit, chief growth officer of Transformations Care Network. “We are thrilled to announce the launch of our Woburn and Sudbury offices, and we are currently accepting new patients for both psychiatry and therapy services.”

Senior leasing director Rob Yacobian of Cummings Properties worked with senior associate David Thomann of Cushman & Wakefield on NorthEast Health Services’ expansion.

“Cummings Properties’ deep experience with healthcare firms, as well as the diverse geography of our portfolio, aligned well with the client’s needs,” said Yacobian. “Leasing two different locations that are owned and managed by a single entity made the expansion very convenient for NorthEast Health Services.”
