Louw promoted to associate at Copley Wolff Design Group

April 22, 2022 - Construction Design & Engineering

Boston, MA Copley Wolff Design Group, Inc. has promoted Andrew Louw, ASLA, PLA, LEED AP, SITES AP to the position of associate. Louw will be responsible for project management, staff mentoring, and business development at Copley Wolff. Louw brings an in-depth knowledge to land development, urban design, and site planning projects throughout New England. His eight years of experience includes working for award-winning design firms in Mass. and more recently, the city of Somerville.

Since starting at Copley Wolff, he has worked on projects ranging from lab and life science developments in Andover and Somerville to a universally accessible playground for the McGlynn School in Medford.

Louw continuously demonstrates his dedication, work ethic, and willingness to take on complex projects for the firm. His past and future achievements will continue to be influential in Copley Wolff's continuing success.
