2022 Ones to Watch: George Green, Principal at ARCO National New England

June 10, 2022 - Spotlights

What recent project, transaction or accomplishment are you most proud of? Expanding ARCO National New England from two employees in 2018 to 22 in 2022 while growing the business from

\$10 million in revenue to \$300 million in revenue – and having a ton of fun while doing it.

What does it take to succeed in your specific industry? Be honest, be hard-working, and attack every one of your clients' problems like your life depends on it.

What led you to your current profession? I wanted to be an engineer from a young age, and I grew up around heavy equipment since my dad managed a gas company's equipment fleet, so working for a design-build construction firm was the perfect fit.

What are the top 3 items on your bucket list?

Vacation in an over-the-water hut

Visit Ireland with my Family (Mom's maiden name is Feeney)

Attend Oktoberfest

What are you doing when you aren't working? Spending time with my wife and 9-month-old, playing golf, or working around the house
