“Gilman and Belknap were both fully renovated within the last five years and had a monthly rent roll of over \$27,000. We have seen more interest than ever for the turn-key buildings with strong rent rolls as cost and time for renovations continue to challenge the value-add investors” said

Pepdjonovic.

24 Belknap St. is a three-unit property comprised entirely of four-bedroom layouts. The property offers tandem driveway parking and is located less than a mile to Tufts University.

“Our team continues to be very busy in Somerville as we have three other multifamily deals under contract and over \$11 million in new inventory coming to the market within the city” said Griffith.
