Nordlund Associates handle 9,000 s/f sale

July 01, 2022 - Front Section

Newburyport, MA Nordlund Associates completed the sale of six industrial condominium units at 18 Henry Graf Rd. The 9,000 s/f was occupied by Whitcraft Aerospace at the time of sale and was purchased by the buyer 18 Graf LLC represented by Kevin Olson, of Nordlund. Anthony Triglione, of Nordlund represented the seller, Airpark Realty Trust.

“We engaged Anthony Triglione, of Nordlund, because of his confidence that industrial properties of this size and type would be attractive to investors given the limited supply of similar properties and other favorable market current market conditions such as low interest rates. Fortunately, the advice was accurate as multiple offers were procured quickly and the transaction proceeded smoothly to a successful closing”.
