Hancock Assoc.'s staff license expand services in Rhode Island

July 08, 2022 - Rhode Island

Dan Bremser

Anthony Donato

Marlborough, MA Hancock Associates said that Dan Bremser, PLS has passed the R.I. Professional Land Surveyors exam. Bremser is a senior project manager in Hancock's office located at 315 Elm St.

Anthony Donato, PE, LEED, previously received his R.I. Civil Professional Engineer registration through reciprocity. Donato is an associate, senior project manager and regional office manager in Hancock's Boston office of H.W. Moore located at 121 East Berkeley St.

"We're very proud of both accomplishments and excited to continue our expansion of services in the Ocean state," said Hancock president Wayne Jalbert.

Hancock Associates is made up of talented surveyors, engineers and scientists dedicated to excellence in land/coastal development, construction and preservation. They have maintained their position as an industry leader through their investment in exceptional staff, state-of-the-art equipment/technology and acquisition of multiple surveying and engineering firms, and historical survey records dating back to 1852. Since 1978, Hancock Associates has been providing land surveying, civil engineering and wetland science services throughout Massachusetts, New Hampshire, Connecticut and Rhode Island. They value the long-term relationships they have with their clients served through their offices in Boston, Brockton, Chelmsford, Danvers, Marlborough, Newburyport, Palmer and Princeton, Mass. and Concord, N.H.
