North Branch Construction completes 22,000 s/f for Community Bridges

September 02, 2022 - Northern New England

Concord, NH North Branch Construction completed a 22,000 s/f interior demolition and office fit-up renovation for Community Bridges at their new location at 162 Pembroke Rd. In addition to a new site drainage system, sidewalks with a parking lot expansion, and landscaping, interior work included demolition of existing space, insulation, roofing, flooring, painting, and extensive upgrades to the existing fire protection system, mechanical and electrical systems. Upgrades to interior finishes were also completed.

“North Branch is very pleased to complete another successful project with Community Bridges. This newly upgraded facility will help Community Bridges better serve their clients for many years in the future.” said Joseph Campbell, president of North Branch Const.
