Secinaro of Jewett Const. receives USGBC LEED AP certification

October 15, 2008 - Green Buildings

Rob Secinaro, a project manager for Jewett Construction Co., Inc. was recently certified by the U.S. Green Building Council as a Leadership in Energy and Environmental Design Accredited Professional (LEED AP).

Secinaro is the second of Jewett's personnel to achieve the LEED AP certification, the first being James Overbey. This certification was obtained to help position Jewett Construction to achieve one of its goals of promoting design and construction of eco-friendly buildings and sites.

The USGBC is the nation's foremost coalition of leaders from every sector of the building industry working to promote buildings that are environmentally responsible, profitable and healthy places to live and work.
