What was your most important professional accomplishment or most notable project, deal, or transaction in 2022?

Since 1985, Caritas Communities has provided very low-income individuals with permanent housing, support, a sense of community and expanded opportunities. My family has been a charitable partner to Caritas for 15 years and our company was recently honored with the P. Leo Corcoran Humanitarian Award at the Annual Housing for All Gala. A successful live auction and “fund our mission” appeal led to a record-breaking \$1.19 million being raised for the Caritas housing and resident support programs. The Callahan family contributed a total of \$115,000, which is the largest gift Caritas has ever received in the history of this event.
