What was your most important professional accomplishment or most notable project, deal, or transaction in 2022?

Brickstone Sq. in Andover was very successful for us in 2022. The market-leading capital improvements and recent introduction of lab space to the property helps create the flexibility that tenants need. The year's leasing activity of 285,000 s/f ranged from the largest lease with ALKU for 75,000 s/f to smaller groups like MeMed, a lab tenant occupying 4,500 s/f. Tenants have struggled with the return-to-work concept post-COVID, but class A parks like Brickstone Sq. remain an attractive home for companies and their employees.
