TFMoran's Griffin earns professional engineer license for the state of New Hampshire

January 20, 2023 - Construction Design & Engineering

Andrew Griffin

Portsmouth, NH Andrew Griffin, PE, has earned his professional engineer license for the state of New Hampshire. Griffin serves as a structural project engineer at TFMoran. He joined TFMoran in 2018. He has a bachelor's degree in Civil Engineering from the University of Vermont. Griffin's structural design experience includes steel and timber commercial, industrial, and residential buildings, and concrete foundations.

TFMoran is one of the largest full-service engineering firms in New Hampshire, with offices in Bedford and Portsmouth. The firm's services include: Civil, structural, traffic and transportation engineering, land surveying, landscape architecture, environmental permitting, stormwater monitoring, and construction support services.
