Fox and Greene of Compass sell East Side condo for \$1.645 million

February 10, 2023 - Rhode Island

77 South Angell Street, Wayland Square - Providence, RI

Providence, RI Compass negotiated the sale of 77 South Angell St., Unit 101, marking the highest condominium sale in the history of the East Side of Providence.* The apartment sited in Wayland Sq. closed for \$1.645 million. Compass sales associates participated in both sides of this record transaction, with Kevin Fox representing the seller and Kira Greene representing the buyer.

The property was under contract after just seven days on the market, which is 21 days fewer than the 2022 market average for condominiums on the East Side.** Fox has closed more units at 77

South Angell than any other sales associate.***

“77 South Angell is a rarity in the Providence real estate market due to its convenient location and one-of-a-kind design,” said Fox. “Having sold all eleven units when construction completed in 2008, and many units a second time since then, it is clear to me that the investment value in boutique condominiums in centrally located urban areas is still strong going into 2023”.

“The demand for accessible, single-level condo living is very high, particularly on the East Side. Buyers who are downsizing want a walkable neighborhood and proximity to arts, entertainment, and restaurants,” said Greene. “After a long search, it was truly gratifying to be able to help my clients locate their perfect spot just a block away from Wayland Sq.”

77 South Angell is a building with 11 custom-designed units. Unit 101 is a single-level apartment with direct elevator access, two bedrooms, two-and-one-half bathrooms, and two parking spaces in the heated garage. Brazilian cherry floors, nine-foot ceilings, window shutters, crown molding, and wood trim are some of the high-end finishes throughout the interior. Walls of windows in the living room provide natural light. The kitchen and dining area offer access to a private 600 s/f patio. Whole Foods and Wayland Sq.’s many shops, restaurants, and cafes are nearby.

2022 marked a banner year for Compass agents in New England. In 2022, Compass agents represented over \$1B in Rhode Island real estate transactions alone.****
