Levell joins TFMoran as civil project engineer

February 17, 2023 - Front Section

Margaret Levell

Bedford, NH Margaret Levell, EIT has joined TFMoran, Inc. as a civil project engineer. Levell joins TFMoran after graduating with her Bachelor of Science in Agricultural Engineering and Environmental and Natural Resources from Purdue University. Her capstone project for that degree was the Urban Agriculture Irrigation Project for the Food Insecure in Detroit, Michigan.

During her time at Purdue, Levell served the community by volunteering for the Women in Engineering Program and The American Cancer Society's Relay for Life. She also served on the leadership team Engineers Without Borders. Previously, Levell studied abroad at Peking University in Beijing, China, and is proficient in Mandarin.
