Wm. Berry & Sons ranked in ENRs top 400 Contractors List

October 15, 2008 - Construction Design & Engineering

William A. Berry & Son Inc. has been ranked 100 on the "Top 400 Contractors List" published annually by Engineering News Record (ENR), a national source for the construction industry.

The annual ranking includes contractors and construction managers throughout the country and is based on previous year construction volume, new contracts and percentage of revenue by market. This is the highest Berry has ever achieved in the national ranking; previously it had been ranked 161. Berry was also listed as 88 of 100 contractors in the New Contracts division by ENR.
