Acella Const. completes 6,000 s/f Machado and Silvetti headquarters

October 15, 2008 - Construction Design & Engineering

Acella Construction Corp. has completed the interior build-out and renovation to the corporate headquarters of architecture and urban design firm Machado and Silvetti Associates.

The office renovation and build-out located on the 3rd floor at 560 Harrison Ave. was completed on schedule. Acella Const. was responsible for the 6,000 s/f office build-out, which included extensive interior renovations and remodeling. Â

Acella worked in conjunction with Machado and Silvetti, who acted as the project's architectural design team under the direction of design professional Andrew Cruse.
